

NATIONAL HONORARY MEMBER for the 2011-2014 TRIENNIUM
BARBARA CORKEY

Barbara Corkey is Zoltan Kohn Professor in the Department of Medicine at Boston University's School of Medicine. Among her many titles she is also the Vice Chair of Research for the School of Medicine and Director of the Obesity Research Center. She received her PhD from the University of Pennsylvania in 1981 and has since made tremendous contributions to the fields of metabolism and obesity.

Dr. Corkey was presented with her award at the 2014 Iota Sigma Pi National Convention where she also gave a presentation of her research to delegates and National Council members from across the country.
